Rheumatism Cannot Be Cured Unless Uric-O is Used

The Red Cross Pharmacy is the Home of Uric-O in Barre.

The Rhenmatic person is skeptical regarding the claims of almost any remedy advertised as a cure for Rhenmatism and one can scarcely blame him for being so. All the plasters and liniments combined never actually cured a case of Rhenmatism. They may relieve it in one quarter, but it is sure to break out somewhere less. The only true way to cure Rhenmatism is to drive it from the system, for as long as the Uric and Rhenmatic Acid remains in the blood one is never entirely free from the treuble. This is where the value of Uric-O as a permanent cure for Rhenmatism comes in. It seeks cut this Rhenmatic poison in the blood, muscles and kidneys, renders it inert and harmless and drives it out of the system. That is why trie-O is such an admirable and effective curo for Rhenmatism.

Cric-O is such an admirable and effective cure for Rheumatism.

The chief reason that Uric-O is such a wonderful cure for Rheumatism is that it is designed and prepared to cure Rheumatism and Rheumatism only. It does not comtain any alcohol or other so-called tonics to make one "feet good" for the time being, but is composed of antidotes for the time being, but is composed of antidotes for the time being, but is composed to faultdotes for the time being but is composed to a friend and in order to see if it was in good condition, he pulled the trigger. The gun was in working order all right and loaded. The bullet tore through his hand which was over the bottle, but if you still feel skeptical about its efficacy you can test if free of charge by cutting out this advertisement and sending same, together with your name and address, to the Smith Drug Co. Syracuse. N. Y., and they will send you a sample bottle free. To persons who write and say they have never used Uric-O, want to test it thoroughly and will agree to take it systematically according to directions, they frequently send a regular 75c bottle free.

HAIR NATURALLY ABUNDANT.

When It Is Free of Dandruff, It Grows Luxuriantly.

Hair preparations and dandruff cure as a rule, are sticky or irritating affairs that do no earthly good. Hair, when not diseased, grows naturally, luxuriantly. Dandruff is the cause of nine-tenths of all hair trouble, and dandruff is caused all hair trouble, and dandruff is caused by a germ. The only way to cure dand-ruff is to kill the germ; and, so far, the only hair preparation that will positively destroy the germ is Newbro's Herpicide— absolutely harmless, free from grease, sediment, dye matter or dangerous drugs, It aliays itching instantly; makes hair glossy and soft as silk. "Destroy the cause, you remove the effect." Sold by leading druggists. Send icc. in stamps for ample to The Herpicide Co., Detroit.
